

Serial No. 10/719,001

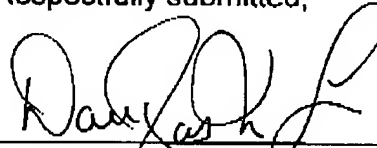

PATENT
Atty Docket No.: 47434-00056**REMARKS/ARGUMENTS**

In the above-mentioned Office Action, the Examiner found the application to contain two distinct inventions, and required that the application be restricted to either Group I, claims 1-44, or Group II, claims 45-98.

In response thereto, Group I is elected and claims 45-98 are cancelled without prejudice or disclaimer. Claims 1-44 thus remain in the application. The title of the application has been amended accordingly.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 07-1853. Should such additional fees be associated with an extension of time, Applicants respectfully request that this paper be considered a petition therefor.

Respectfully submitted,

Douglas N. Larson
Registration No. 29,401
